

Drill Team Game Bag

Items Needed:

- 1- Canvas Bag (lunch box size) Team Color
- 1- Matching Water Bottle
- 1- Boot Charm
- 3pk Music Notes
- 2- 3" Royal Mum
- 1pk Gold Rhinestone Garland
- 1pk Gold 1.5" Letters Stickers
- 2pk Twirl & Dance Pack
- 1pk Music Note Stickers
- 1pk Drill Team Boot Stickers
- Fabric Glue
- Hot Glue

Instructions:

Glue the Rhinestone Garland around the top of the canvas bag, cut off excess. Glue the remaining around the top of matching water bottle. Take the hot glue and "I Love Dancing Charm" & "Dance Charm" glue to the center of mums. Glue large Boot Charm to center of bag and a mum on each side of the Boot Charm. See photo.

On the reverse side of bag add name using the letter stickers. I would glue them with the fabric glue to better secure them to the bag. Glue "I love to dance" Charm under the name. Glue Music notes all around the front and the back.

Stick the Drill Team Boot sticker on center of water bottle and Music Note stickers all around.
