Here is one way to place your mums on your Texas backer.

It takes 12 - 4"-8 layer mums and 5 - 3"-9 layer mums.

The blue circles are 4" mums and the red circles are 3" mums.

The red triangles are 3" mums taken apart - use 3 or 4 petal layers, fold and form to cover space as needed.

You can spread petals out where needed or trim petals where needed to keep the Texas shape recognizable.
